

# World Mental Health Day 2007

## Mental Health in a changing world: The Impact of Culture and Diversity

One day conference to raise awareness and challenge attitudes around culture and diversity.

**Monday 8 October**  
**9.30am – 4.30pm**  
**Town Hall,**  
**Newtownards**

This event is for anyone from within statutory, voluntary or community sectors interested in increasing their knowledge of customs and traditions of ethnic groups and how this might impact upon mental health.

### Aims of the day

- \* To encourage staff to make links within local communities
- \* To consider the needs of black and ethnic minority groups who come into contact with their service
- \* To enable staff to recognise strengths and weaknesses in their own and their organisation's practice and consider good practice

*For further information and to register contact:*
